Proposal 199 Meat Spoilage - Region IV

Implement various hunt conditions and change hunter education to reduce meat spoilage

**Take No Action
for GMUs in Region IV**

- **Hunter Education Program**
- **Meat Care Videos**
- **Information Materials available at all area offices**
- **Wanton Waste Law (5AAC 92.220 and 16.30.010)**

Restrict trapping near trails

**Do Not Adopt
for GMUs in Region IV**

- Region-wide restriction not necessary
- Best applied if specific issue is identified
- Trails are not well defined
- Difficult to enforce a “buffer”

Prohibit harvest of big game the same day after being transported

No Recommendation for GMUs in Region IV

- 5AAC 92.085 (8) – “A person who has been airborne may not take or assist in taking big game unit after 3 am the following day in which the flying has occurred”
- Adds boat, 4-wheelers, snow machine and highway vehicles
- Eliminates “Day Trips”
- Live-a-board vessels?
