ALASKA BOARD OF GAME MEETING CYCLE

The board regulations meeting cycle generally occurs from January through March. The board considers changes to regulations on a region-based schedule. Each region will be discussed on a two-year cycle. When the regional area is before the board, the following regulations are open for consideration within that region:

- Trapping Seasons and Bag Limits -- All species
- General and Subsistence Hunting Seasons and Bag Limits -- All species (Except antlerless moose hunts as noted below)
- Wolf Control Implementation Plans
- Bag Limit for Brown Bears
- Areas Closed To Hunting
- Closures and Restrictions in State Game Refuges
- Management Areas; Controlled Use Areas, and Areas Closed To Trapping

Regulations specific to an area (e.g., Permits for Access to Round Island) will be taken up when the board is scheduled to consider regulations in that Region. Proposals for changes to regulations pertaining to reauthorization of all antlerless moose hunts, 5 AAC 85.045, and all brown bear tag fee exemptions, 5 AAC 92.015, will be taken up annually.

The Board of Game does not consider proposals to statewide regulations in every meeting cycle. Instead, the Board of Game reviews statewide regulations on a four-year cycle, distributed between winter meetings, every other year. The list of statewide regulations and the associated “Cycle A” and “Cycle B” meeting schedule is set forth on the next page of this publication.

The proposal deadline is May 1 every year. If May 1 falls on a weekend, the proposal deadline is the Friday preceding that weekend.
