State registration permit hunt RC860 for the Fortymile Caribou Herd is divided into 4 zones. This emergency order closes Zone 1 of the Fortymile Caribou hunt area, located in portions of Game Management Units 20B and 25C. A previous emergency order (EO 03-03-14) delayed the opening of the fall season in Zones 1 and 3 and closed caribou hunting in a portion of southern Unit 25B to protect the Fortymile Caribou herd from overharvest.

No other caribou hunting regulations in Units 20 and 25 are affected by this emergency order.

**JUSTIFICATION:**

The Alaska Board of Game endorsed the Fortymile Caribou Herd Harvest Plan as a means of guiding harvest of the herd from 2012 through 2018. The annual harvest quota is allocated seasonally: 75% to the fall hunt and 25% to the winter hunt. The fall harvest quota is further subdivided into zones within the RC860 registration hunt area, each with its own quota. The fall 2014 quota in Zone 1 is 225 bull caribou. Fortymile caribou are plentiful in Zone 1 and we expect the harvest quota for Zone 1 to be reached by the date and time of closure. No further fall harvest of caribou under the State of Alaska season is warranted in Zone 1 of the RC860 hunt area.
