

TOWNHALL MEETING

ADF&G Commissioner Vincent-Lang

Tuesday, September 19, 2023, at 6:30 pm

Koniag Building, 194 Alimaq Dr, Kodiak, AK

TOPIC OF DISCUSSION

Bycatch management is an important and challenging issue for the State of Alaska. Bycatch occurs in all fisheries and managers must balance many conservation and economic factors when establishing regulations. Attend this town hall meeting with ADF&G Commissioner Vincent-Lang and department staff to share your ideas for strengthening Gulf of Alaska fishery management programs to support sustainable fisheries and communities.
