

**NOTICE OF PUBLIC MEETING OF THE  
ALASKA BOARD OF FISHERIES**

Notice is given that the Alaska Board of Fisheries (board) will meet by teleconference on May 9, 2008, beginning at 2:00 p.m. The purpose of the teleconference is to consider a petition submitted by Robert Heyano requesting the board expand the Egegik and Ugashik commercial fishing districts from June 16 through June 25 by emergency regulation.

The request is considered under Alaska Statute 44.62.250 and the Joint Board Petition Policy (5 AAC 96.625) based on an unexpected resource situation where a biologically allowable harvest would be precluded by delayed regulatory action.

The board will not take oral public testimony during the teleconference. Listen-only teleconference sites will be provided to the public at the Alaska Department of Fish and Game offices in Dillingham, King Salmon, Anchorage, and Juneau. An additional site will be available at the Legislative Information Office in Dillingham. For further information, a copy of the agenda, or addresses of the listen-in teleconference sites call Jim Marcotte at (907) 465-4110.

For a copy of the petition contact the Alaska Department of Fish and Game, Boards Support Section (907-465-4110) or go to the website at:  
[www.boards.adfg.state.ak.us/fishinfo/index.php](http://www.boards.adfg.state.ak.us/fishinfo/index.php).

If you are a person with a disability who may need a special accommodation in order to participate, please contact Olivia Orsborn at (907) 465-4110 to ensure that any necessary accommodations can be provided.
