Proposal 4 – I would support the following substitute language for this proposal;

Notwithstanding 5 AAC 75.995 (36), in the following areas which have been designated fly fishing only in the Southwest Alaska Rainbow Trout Management Plan, Lower Talarik Creek, Brooks River, the portion of the Copper River drainage beginning 1 mile upriver from the mouth of Copper River, Moraine Creek drainage, Agulukpuk River, "bait" means any substance applied to fishing gear or placed in fresh water by a person for the purpose of attracting fish by scent, including fish eggs in any form, natural or preserved animal, fish, fish oil, shellfish, or insect parts, natural or processed vegetable matter and natural or synthetic chemicals, from June 8<sup>th</sup> through October 31<sup>st</sup>. This would not apply to ~~open fish~~ ~~targeted fish~~ ~~and~~ subsistence sites taken by subsistence users

I would reference my comments and additional support information located in RC 97 for further information and support for this RC.
