

There is an error in my on time comments for PVOA. We took two positions on **proposal 201** to close waters of Chichagof Island to commercial salmon fishing with purse seine. The intention of our organization was to **OPPOSE** this proposal. I accidentally also rolled proposal 201 into my position on **Proposals 183, 186, 187, 190, 207**. I'm sorry for any confusion. My comments were meant to read:

Proposals 183, 186, 187, 190, ~~201~~, 207: support

Petersburg Vessel Owner's Association is in support of the proposals coming from Southeast Alaska Seiners and United Southeast Alaska Gillnetters. A lot of time, planning, and compromise went into these proposals and all our members are happy with them.

Proposal 201: oppose

PVOA is opposed to closing Basket Bay. This area is not usually open to purse seiners; however, we don't want to permanently loose the opportunity to fish there someday.

Thank you for your time and the opportunity to comment.

Respectfully,
Megan O'Neil
