Chris Feagle Fu#*ing Idiots! Looking at what could have fed anyone who would be more than happy to take them! That's just plain stupid.
September 9, 2012 at 10:07pm · Like

Joe Moses Jr According to US Wildlife you can debreast a swan and through the rest of the swan away and it is legal.
September 10, 2012 at 8:42am · Like

Chris Feagle It should'n't be legal! There is still a lot of eables left on those swans!!!

Bridget Kline That is horrible. What neighborhood? That may give a clue to the culprits. So sad.
September 9, 2012 at 9:57pm · Like

Elizabeth Ujak I would love to have that in my freezer.
