Please answer all questions to the best of your ability. All answers will be printed in the proposal packets along with the proposer's name (address and phone numbers will not be published). Use separate forms for each proposal.

1. Alaska Administrative Code Number 5 AAC 85.025 Regulation Book Page No. \_\_\_\_\_

2. What is the problem you would like the Board to address? reindeer  
Individuals illegally hunting privately owned ~~reindeer~~ in GMU 22A Golsovia River Drainage and South.

3. What will happen if this ~~problem~~ is not solved?  
Reindeer herders continually losing private property, time and money.

4. What solution do you ~~propose~~ propose? In other words, if the Board adopted your solution, what would the new regulation say?  
GMU 22A Golsovia River Drainage and South, Caribou Hunt open by Emergency Order only. Residents - Five caribou a day. Season may be announced.

Non residents - Five caribou a day. Season may be announced  
No change to other portions of GMU 22A

For WACH - change cow + calf to be close to from April 1 to August 15.

Justification - by expanding the no cow and calf hunt to April 1<sup>st</sup> to August 15<sup>th</sup>. It will maximize saving of caribou while allowing for late fall hunt of caribou on Seward Peninsula.
