**ALASKA BOARD OF GAME
Long Term Meeting Cycle**

The Board of Game meeting cycle generally occurs from November through March. The board considers changes to regulations on a region-based schedule every two years, while statewide regulations are considered on a four-year cycle, alternating between regulations every two years.

When the regional regulations are before the board, the following regulations are open for consideration within that region:

- Trapping Seasons and Bag Limits -- All species
- General and Subsistence Hunting Seasons and Bag Limits -- All species (Except antlerless moose hunts as noted below)
- Wolf Control Implementation Plans
- Bag Limit for Brown Bears
- Areas Closed To Hunting
- Closures and Restrictions in State Game Refuges
- Management Areas; Controlled Use Areas, and Areas Closed To Trapping

Regulations specific to an area (e.g., Permits for Access to Round Island) will be scheduled for that region. Proposals for changes to regulations pertaining to reauthorization of all antlerless moose hunts, 5 AAC 85.045, and all brown bear tag fee exemptions, 5 AAC 92.015, are taken up annually.

Regulations having statewide applicability (5AAC Chapters 92 and 98.005) are listed on the “Cycle A” and “Cycle B” regulatory schedules, as set forth on the following page of this publication. Each cycle is considered by the board every four years.

The proposal deadline is May 1 every year. If May 1 falls on a weekend, the proposal deadline is the Friday prior to that weekend. Boards Support issues a “Call for Proposals” generally in December or January preceding the May 1 deadline.
