Big Game Commercial Services Board

Submitted by Jerry Burnett,

Board of Game Chair and Representative Serving on the BGCSB

At year end there were 1,401 active licensees

In 2022 the Big Game Commercial Services Board acted on 17 disciplinary actions involving persons licensed under the Board's Authority. These disciplinary actions included license revocation/suspension or voluntary surrender, probation and fines between \$200 and \$17,000.

The Board currently has 8 regulatory projects in process.

A sub-committee of the BGCSB is expected to give a presentation to the Board of Game at our Southcentral meeting in March. This subcommittee is exploring options for reducing conflicts and overcrowding by guides on state lands.
