

I believe you Break Federal laws 10-12-13
RC26

- 1, subsistence is federal laws for people, tribes for cultural survival
- 2 state is no jurisdiction of Tribes
no Tribes on board of Fisheries in our areas
- 3 state - no authority for Tribes members
only Tribes can
- 4 The state is ~~interfering~~ ~~interfering~~ By
the laws it makes to genocide ~~the~~ Native
People
- 5 The state gives sports people priority
over Tribes
- 6 The ~~Native~~ people need traditional
foods for religion, health, traditions
~~survival~~
- 7 The State of AK Has failed
Native People By all LAWS

8) The future of Tribes People hangs in
Balance of Food to people 70 Survival

9) Our People Don't Have enough jobs
to survive without subsistence food

10 Question for ADFG
why you try to Kill our native People

11 Foods are part of our Identity of Krik People

12 we have our own traditional laws,
not state people

13, we follow antitCA protections By Fed LAWS

14, not Based on INcome lands

15 Harvest is Based on our own need

16 Stop Harassing Tribes People on nature LANDS
allotment of Tribal lands - corporate lands

Thank you
