Mr. Haight,

I would like you to offer this letter of support for Sam Cotten as ADF&G Commissioner. I have been a recreational fisherman and hunter in Alaska since 1981. I have also owned and operated a fishing charter business in Seward and now own a hunting and fishing lodge on Kodiak Island. Sam Cotten has years of experience in public service and vast knowledge of Alaska's fisheries. I support Sam Cotten for Commissioner.

Thank you,

James Stegall
